## SEVENTH SUNDAY OF EASTER

### Deacon Jim's "A Moment with Our Lady"

The name of Mary as Theotokos, the Mother of God, was approved by the Council of Ephesus in 431. This name was not new—it had already been in use for some time in the Church. However, a position had to be taken against the assertion of Nestorius, then Patriarch of Constantinople, that the Virgin Mary was not to be called Mother of God, Theotokos, but Christotokos, Mother of Christ.

The obvious intention of Nestorius was to make the Church declare authoritatively that the Virgin could only be the mother of Christ's human nature, not of his divine nature. Nestorius' formulation was rejected, his position declared heretical by the ecumenical council. Indeed, in the tradition of the Church, it is not possible to separate the humanity of Christ from his divinity, the human part from his divine part: Christ is both fully man and fully God.

The title of Mary as Mother of God never meant that Mary existed before God the Word. The Church recognizes the mystery in the words of this ancient hymn: "He that the whole universe cannot contain dwells in your womb, O Theotokos."

### St. Rose of Lima's Saint Vincent de Paul Conference Weekly reflection for June 2: Ascension

Today as we celebrate the feast of the Ascension we are reminded that Christ's saving work on earth continues through his disciples...and now through us.

**When we give to the poor, God indeed pours his love, peace and joy into our hearts, into our lives and into the hearts of those who are poor.**

If you know of someone in need, please visit our website (<http://strosesvdp.org>) to inform us of their situation. We will do our best to help out in any way we can. We encourage all parishioners to use our website to help us help those in need.

Thank you!
